The end
is only the beginning.
We must find pathways
leading us out of
the darkness of our minds
into
the knowledge of ourselves.

A knowledge that is ours
to hold
to shape
to mold
into something now,
something new

for we are
the sensitive
the responsive
the curious

the rebellious
the perplexed
the impressionable
seeking to become
more fully ourselves.

Beverly Anne Baril

Far away there
in the sunshine
are my highest
aspirations.

I may not reach them,
but I can look up
and see their beauty,
believe in them,
and try to follow
where they lead.

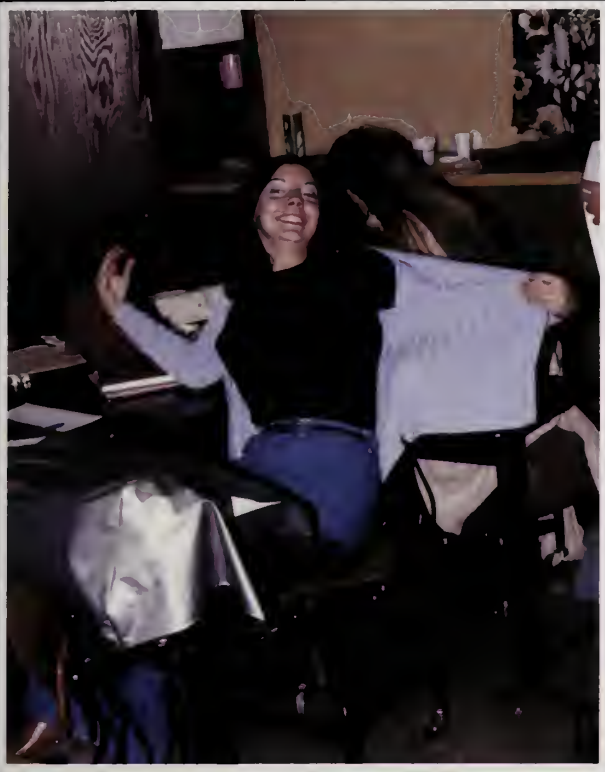

Louisa May Alcott

One last time . . .

DEDICATION

"Music expresses that which cannot be said and on which it is impossible to be silent."

— Victor Hugo

For their unselfish devotion and many contributions to our school, the Class of 1979 would like to dedicate its yearbook to Mr. John Mariano (at left) and Mr. Joseph Giangrasso (below) the Fermi High School Music Directors. Both teachers have given many hours and exerted tireless efforts in order to make our football games, pep rallies, assemblies and community functions a celebration of life as well as music. Moreover, the enduring contributions they have made to the lives of each of the student musicians they have worked with can be fully measured only in the years to come.

During the years we have been at Fermi, there have been many times when our spirits have been lifted by the music spilling into the hallways from the band room. But what remains closest to our hearts is the memory that as the seasons turned, each one had its own special sound. When songs like "Rocky" and "We Are the Champions" stirred the blood, could fall sports be far behind? And what would winter at Fermi have been without the joy and love that echoed in the beauty of the season's music? Then, brassy parade rehearsals, heard through windows closed against the winter, would be our earliest heralds of spring. Finally, the bittersweet music of commencement exercises would signal an end and a beginning.

Now that bittersweet music plays for us — one more time, one last time. Thank you, Mr. Mariano and Mr. Giangrasso, for all the beauty, and all the riches of memories you have given us.

It is with great pleasure and pride that I congratulate, and at the same time, bid farewell to the Class of 1979. I sincerely hope that our teaching has been an inspiration to you, and that the knowledge you have gained will be of value as you go out into the world and meet the challenges of life.

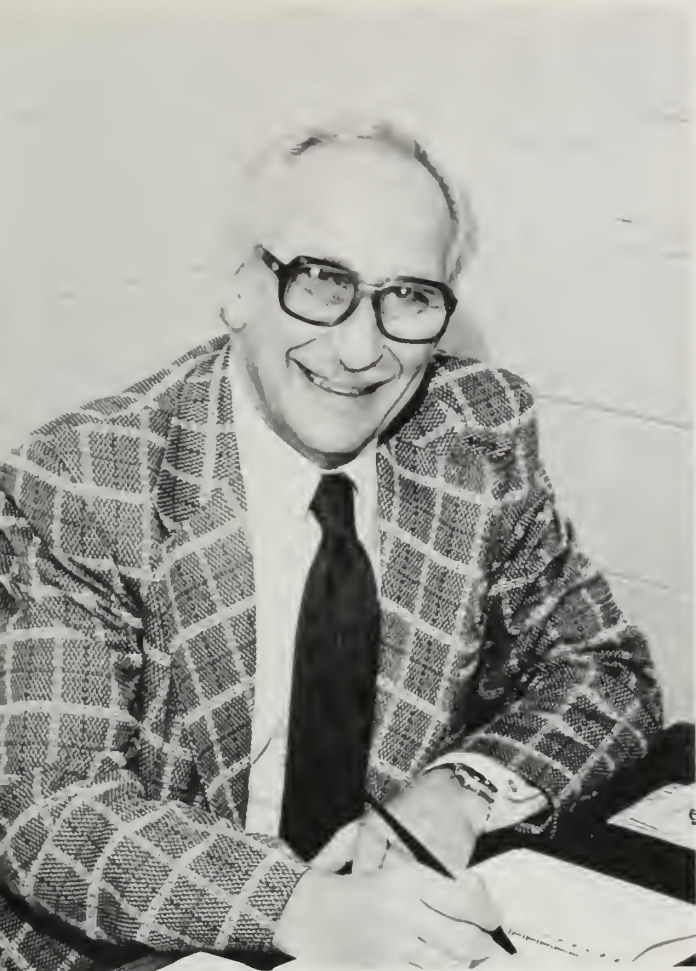

We have worked closely with you in the classroom, on the athletic field, and in your various co-curricular activities. You have lived through an exciting period of your life. No problems of the future should discourage you permanently if you will face them. However, from now on you will be on your own in the acquisition of wisdom for yourself. I encourage each of you to give your ambition and dedication to each task you put your hand to, and success will be yours.

We of the faculty and administration wish you courage, prosperity, happiness, and many full years ahead of useful citizenship in this unpredictable world.

Sincerely,

Mario A. Gentile

SENIOR CLASS OFFICERS — Lynn Muratori, Director of Activities; Sue Sheehan, Historian; Bill Uzell, Treasurer; Terri Demers, Vice-President; Ann Mensinger, President.

In September 1976, we entered Fermi as most Sophomores do — frightened yet enthusiastic, lost in our new, impressive surroundings, and awed by the poise of the upperclassmen. But with eager anticipation, we became Seniors looking forward to graduation and then again wishing it weren't so near.

We have experienced four years of growth and development. During these four years, we have grown in our ability to show our individuality, friendliness, and cooperation. Because of this, the Class of 1979 has surpassed many previous classes in its accomplishments and will do so again in its future goals and dreams.

Now we must face the day when we will no longer be high school students, but adults, eager and ready to face the world. This day, that is prepared for by persistent checks of calendars and is packed with all our memories of the past, joys of the present, and hopes for the future, has now come upon us. We shall now relinquish our elevated position of Seniors to those next in line and step into the promising future. Many thanks to you, Fermi, and to next year's Seniors, good luck.

DONALD A. OSTRANDER

March 5, 1961 — April 9, 1977

I shall pass through this world but once,
If therefore, there be any kindness
I can show, or any good thing I can do,
Let me do it now.
Let me not defer it nor neglect it —
For I shall not pass this way again.

The Girls Do a Great Job!

When it's time to read the sports section of a yearbook, I hope that no one will pass over this small, cute, talented, and yet tough group of girls that played on the varsity and JV volleyball teams. This was our first full year as a member of the CCIL. Out of the 18 league matches, only two schools shut out both JV and varsity. That left us with 16 matches that were not shut outs to the opponents. Our biggest win, of course, was against Enfield High School, as we took our fourth victory against them in two years!

I must say goodbye to these five terrific seniors: Debbie Orr, Lynn St. Germain, Kelly Byrnes, Lori Bergeron, and Judy Menard. I hope and look forward to make strong hitters out of my upcoming seniors.

Girls, we all deserve sincere congratulations for a first year team, and also for the best fall season record here at Fermi High.

Great job!

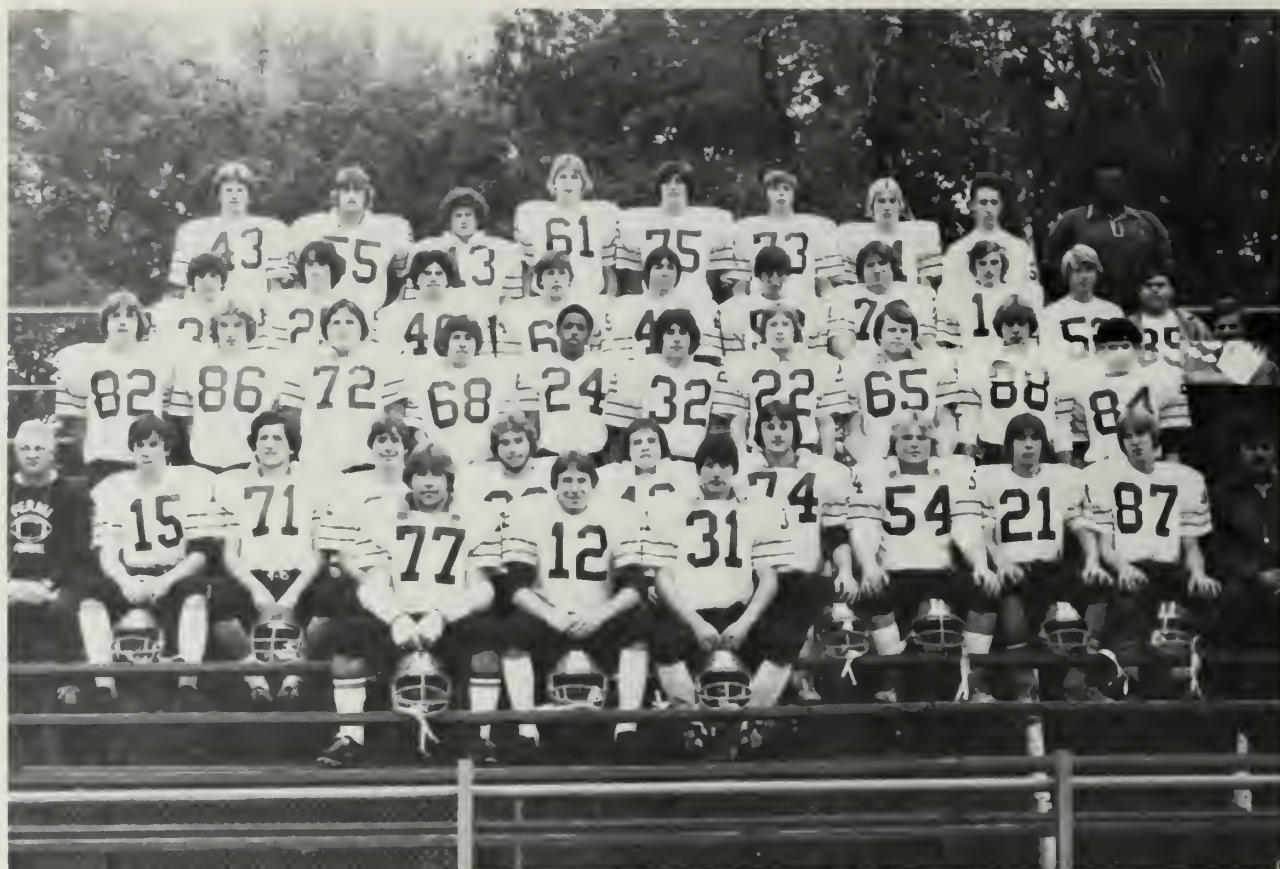

Miss Carbone

The varsity football team ended its season with a record of 5-4-1. The offense was sparked with outstanding performances by quarterback Ron Flaherty, center Jeff Underwood, halfbacks Steve Provencher and Pete Derosé, fullback Mitch Rudolf, and split-end Vinnie Hogan.

Our defense really proved itself this season with key performances by Bruce Cuscovitch, tackle Paul Gaylor, and linebackers Ed McMurray and John Liquori.

The defensive backfield was one of the best in the CCIL, led by defensive back Jim Spence and safeties Bill Gaines and sophomore Sal Vella.

Although we were hurt by injuries, this team will be remembered as on with spirit and fortitude. They put all they had in beating crosstown rival Enfield, 20-8, a game which they will never forget.

To the spectator no sport has more spectacle than football. To the man on the field, no sport offers greater glory — or greater pain. He must be a man, for he spends much of his time literally on the field (with a number of men on top of him.) But when he breaks loose — ah! What can compare with that great moment?

FIELD HOCKEY HAS BEST RECORD IN THREE YEARS

The 1978 Field Hockey season of 4-6-4 represents a high, first degree of effort, skill, determination, and teamwork. Under the leadership of senior tri-captains Lori Delay, Nancy Duren, and Donna Sandford, the team improved with each game. Seniors Carol Moore and Mary Martinez also aided in the total team effort. Each of the senior members will be missed next fall.

The junior varsity squad, while winless, did well to stay in every game in the tough CCIL. Congratulations to Mrs. Gates, and to Co-Captains Lynn Blevins and Mary Griffith for a fine first season.

My thanks to each member of the varsity squad for her realization of Fermi's outstanding reputation of fair play, honesty, and sportsmanship.

I look toward 1979 with anticipation for an even stronger season.

With a record of 15 losses, 0 wins, and 0 ties, the Fermi Booters ended the season with the worst team record ever.

Valuable lessons were learned by both the coaches and players. The first lesson is that it is not necessary to win, but to have spirit. The second lesson is that it is necessary to be committed to the sport.

Next year, all of these lessons learned will work in our favor. Perhaps, we will achieve a complete reversal.

RECORD LOWERED FOR CROSS-COUNTRY

Running does not mean the same thing to all people. Running is a sport for individuals who are interested in giving, not taking.

This year's team broke a Fermi record for the lowest team total, time-wise, and lowest score in a dual meet. That score was 38-17 and it came against crosstown rival Enfield. The team was lead by senior captain Chris Reese. The team and I thank him for a great job and wish him the best of luck.

Coach Ryczek

RUNNER

There's not enough air in the sky for his lungs to gulp
A full draught that would quench the heat in his blood.

His heart is about to pound apart and his legs
Are flogged slaves from a conquered country.
They've trodden the ground till they're numb.

He has run all morning and run while the sun in
the heavens

Lurched to the top of its climb and hung,
unmoving

All that long noon, spreading the drome of its
heat

And all the while his dogged feet
Ran on in the dust, and ran

Past gates that opened and doors that tilted ajar
On quiet and gardens where fountains sighed
And languorous women as the light streamed
from their hair

Looked up with secretive smiles that said
'At last you've arrived here.'

Yet still he plods on through behind him his
shadow grows longer

And the shadows of trees are meshed with their
boughs and their trunks.

That unending roads he treads in a narrow
passage

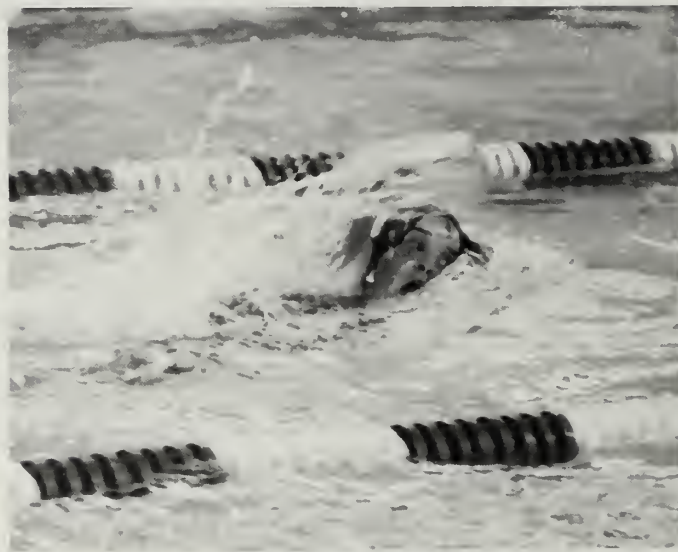

By night will he know that the path he follows
Is the earth's wheel, spinning and spinning?

CO-CAPTAINS DO OUTSTANDING JOB

The girls swim team was led by co-captains Beth Healy and Kim Rauschenbach. The two girls did a great job in leading the team to a record of 3 and 9. The team was also helped by outstanding swimmer Kay Dugan. The team and I would like to wish all the seniors good luck.

Coach Lengyel

"Morale is the most important thing a human being has, whether he is tackling a job or whether he is going to war or whether he is trying to gain a peace. It is the belief in the sport, and when you know someone is with you, if the people sitting alongside you are ready to support what you say, what you do, you believe together, you have got a strength that is very hard to defeat."

TRI-CAPTAINS DO OUTSTANDING JOB —

The 1978-79 boys' swim team was led by outstanding performances of Senior Tri-Captains Bill O'Brien, Bill Evans, and Scott Roberts. Senior Bill O'Brien did a good job at maintaining his own records and did an outstanding job in the CCHL. Tri-Captain Bill Evans was exceptional in backing his own records in the 100 yard freestyle and the 50 yard freestyle. The 79-80 swim team will miss the senior swimmers.

All growth depends upon activity. There is no development physically or intellectually without effort, and effort means work. Work is not a curse; it is the prerogative of intelligence, the only means to Manhood and the measure of civilization.

After losing eight seniors last year the Fermi High School Wrestling Team has proved that there is plenty of talent left. Senior Captain Norris Rabb has an undefeated season with other outstanding performances by Jan Ostrander, Bill Johnson, Jim Olson, Ed Ostolski, Kelly Neale, Doug Girard, Tim Desjardin and Chris Catalina. It may be safe to say that this year is a building year for the Fermi Falcons, having a team dominated by sophomores and juniors. However, they have worked hard and their performance is to be respected. There is no doubt that self-discipline will pay off in the future.

1978-79 Girls' Basketball Season —

The team was comprised of six seniors, five juniors and four sophomores. Captain Jane Korb, who missed all of last season due to an ankle injury, has inspired the team to a 6-4 record so far this season. Jane has also pulled down 9.5 rebounds a game to help Fermi. Junior Joyce Langan has led the offense with 12.5 points a game, assisted by Senior Ann Mensinger.

Leading the J.V. was Captain Leah Secondo with 8.6 points per game and an average of ten steals per game. The J.V. record so far this season is 6-4 thanks to the help of first-year Coach Diane Derosé.

Many thanks to the seniors for their time, effort and leadership on and off the court.

This year's team was composed of four seniors, and seven juniors. Three seniors saw varsity action last year, Todd Wingen (Team Captain) Lee Pascoe and Rocky Paczosa.

Seniors Todd Wingen and Lee Pascoe have been leading the Falcons. Todd with a 20.5 points per game, 8.5 rebounds and leading field goal percent. Lee with a 13.5 points per game, 7.8 rebounds and a seventy five percent free throw average. Early into the season the Falcons have comprised a 2-8 record, yet the team is looking forward to a good second half.

With the State tournament still to be played the Falcons are looking forward to achieving a spot by jelling as a team and having a winning second half to their season.

Great Players . . . have the poise and grace of outstanding ballet dancers. The game is one that requires balance, co-ordination, speedy reactions. It tempts every normal young boy because it does not require great physical strength, but mental stability and courage. The player must be in superb physical shape to have the endurance the game demands. It also demands unselfish co-operation; it provides valuable mental and physical training

The Varsity Cheerleaders began their 78-79 season by participating in a cheerleading competition held at the University of Connecticut. This is the second consecutive year that the Varsity has gone to a National Cheerleading Camp the summer preceding football season.

The girls won four ribbons in the categories of Most Spirited, Best Pyramids and Stunts. The cheerleaders have worked very hard to perfect their routines. They are constantly incorporating new cheers and mounts into their routines to demonstrate their inventiveness and versatility.

In September, the twelve girls were joined by one male cheerleader. He must work very hard to develop the strength and precision of the cheerleading squad.

Throughout the long football and basketball seasons, this year's varsity cheerleaders have definitely shown Fermi and other sports fans their dedication and excellence in the sport of cheerleading.

The Junior Varsity squad cheered only during the basketball season. They spent several weeks getting acquainted while they diligently practiced to prepare for their first season together. They were off to a good start when early in the season they won two ribbons for their mounts at a one day camp in Ledyard.

Congratulations to all of the Cheerleaders for a very successful year.

The 1978-'79 Hockey Team has been a strong team both offensively and defensively. Senior Steve Richer has led the CCIL in scoring, while Mike Flanders, Rik Rits, Jim Kraucunas and Markku Makisalo have given Fermi that extra scoring that placed us first in our league.

Defensively, Rob Hayden, Craig Chichester, Rits, and Kraucunas have proven to be a sound backline with some good checking. They've given goal tenders Tom Henry and Chris Gatto an easier time in net. All in all, the Falcons have given a great season, and I will miss seniors Paul Gaylor, Rob Hayden, Tom Henry, Todd Byron, Steve Richer, Jim Kraucunas and Joe Mule, and our two exchange students Rik Rits and Markku Makisalo, but I look forward to building a stronger team next year and working with the juniors and sophomores.

Miss Fonseca is a dedicated advisor who has devoted endless hours after school, on weekends, and during vacations for the perfection of our yearbooks.

Yet time is not all Miss Fonseca contributes. By working with her, we have learned to recognize our own skills and talents, and have even discovered some we never dreamed existed. Thank you, Miss Fonseca, for being our advisor, our teacher, and our friend, and for the success you have helped us achieve for our yearbooks.

A TRIBUTE TO THE DIRECTORS

1. Mrs. Jonaitis enjoying the get together.
2. Miss Mackley — lost for words of gratitude.
3. Walter Prayzner getting into the party.

1. Miss Mackley cutting the cake
2. Mrs. Jonaitis — delighted with her gift.

Mrs. Carole Jonaitis and Miss Mary Mackley, the two dedicated directors of Fermi Lamplighters, have led aspiring young actors and actresses with love, patience and skill through five fulfilling and enriching years.

Under the guidance of Mrs. Jonaitis and Miss Mackley, Fermi Lamplighters produced *One Flew Over the Cuckoo's Nest* in 1975, and *Damn Yankees* scored well the same year. In 1976, Lamplighters presented *The Crucible*. In 1977 they brought audiences to the little village of Anetevka with *Fiddler on the Roof*. *Bye Bye Birdie*, a hilarious spoof on the Rock-'n'-Roll era, was the 1978 production. An added dimension to Lamplighter achievements was the *Lamplighter's Children Theater* production in 1979, which sought to instill in the youngsters a genuine love and interest in the theater.

After five years of great success, Mrs. Jonaitis and Miss Mackley are resigning as Lamplighter directors. What they leave behind is a legacy of greater self-understanding and personal growth for Fermi Lamplighters. Although they bid farewell to the Lamplighters, what they have cultivated will continue to grow and flourish for years to come.

TRACES

The 1979 Falcon baseball team ended an exciting but nevertheless disappointing season with a CCIL record of 5-13. Even though the team failed to make the tournament, they proved themselves to be contenders, by beating tournament-seeded Enfield High, 7-3, in their second match-up of the season. All-star captain catcher Ed McMurray led the team in batting with a 16-game hitting streak. Defensively, tri-captain Kyle Reese proved to be an outstanding first baseman as well as pitcher, joining the rotation with Carl Sarno, Wayne Greenough, and Ron Flaherty. Second baseman and captain Mike Moriarty helped to turn some key double plays late in the season, while Thom Semanie effectively played the outfield. I wish all the seniors the best of luck in the future.

GOLF

Our golf team was led off by Senior captain Warren Shane, who was a high qualifier in the state tournament for the second year in a row and will be off to Florida Southern University next year to continue his academic and golfing careers. Juniors John Lynch and Bill Summers played at the number two and three positions and did very well. Senior Chris Skowronek played in the number four slot most of the year. Juniors Bob Winch and Terry Bukowski along with Sophomores Tim Lynch, Dan Brososky, Jeff Johnson and Duncan Campbell shared the number five position.

Optimism and self-determination coupled with a love for the game and a desire to win helped this year's softball team to achieve a 9-8 record in a tough CCIL. This was a season when, on any given day, any school could beat another. This was a season when Fermi suffered defeat to schools which previously had always been beaten. It was also a season where we pulled some upsets of our own. A sixth consecutive state tournament berth was earned and the experiences gained in tournament play will serve to enhance the level of play for the coming season.

The Junior varsity, under the capable coaching of Diane Teske, fashioned a record to be proud of. The mastered skills and game to game experiences shared by all will help the softball program to continue in strength, and several of these players should find a starting position on the varsity level in the years to come.

My thanks are extended to senior captain Judy Menard and our other graduates: Mary Martinez, Carol Moore, and Debbie Orr. The experiences shared and knowledge learned will assist those who remain at Fermi. We wish each of you much success with your post-Fermi plans.

1979 BOYS' TENNIS TEAM

Lack of experience played a major role in determining accomplishments of this year's team. This year's team consisted of six juniors and six sophomores. This year's captain Rich Godaire. Playing number one singles this year was junior Mark Ottman who improved with each match.

Some of the singles' players were juniors Bob Allen, Rich Godaire, John Avery, and sophomore Mark Landry.

The doubles' players this year consisted of juniors Joe Ingram, Joe Devenero, and sophomores Tom Panaccione, Jeff Magee, Chris Donelan, Paul Giguere, and Harry Captain.

The team's willingness to learn was evident and provided an enjoyable season.

LEONARD PERMAN PHOTOGRAPHY

1979 GIRLS TENNIS TEAM

My Varsity tennis team this year started out with 18 girls and finished up with 14 girls who pulled through all our planned, crazy practices and games we played. Fourteen very crazy girls who were under a crazy senior influence of Holly Marek, Lucy Morin, and Jane Korb; and ending as 14 very proud girls who bettered their own tennis skills 100% from the first day! It's no excuse — that we play 9 other schools each year with probably hundreds of courts in their own towns and until this spring of 1979, Enfield had 8. This means that more kids can get out there and try tennis as their favorite. For someday maybe, they will play for Fermi High.

My juniors and sophomores can come back next year as juniors and seniors to do another terrific job of competing in CCIL! And I'd like to thank my seniors who are leaving for the terrific job they did!

Coach K. Carbone

1979 BOYS TRACK TEAM

The Boys' Track team got off to a slow start losing the first three meets and having two postponed due to rain. Seniors Doug Fosberg, Al Babyok, John Diorio and Steve Provencher provided the experience and leadership in the early season. The team was in a rebuilding year working to develop the inexperienced underclassmen. Many of the sophomores and juniors have worked to learn new events.

Some of the promising young talent in the distance running are Dave Hancock, Joe Swiatek and Ray Percoski. Sprinters Scott Dove, Sam Panella, Ed McGuire, Tony Sitler and Paul Vella held down the speed events. Chris Riley, John Stephens and Jim Tarnowicz worked hard to replace many field event weaknesses.

Many of the track and field events require 2-3 years to develop the skill to be competitive in our league. With continuous hard work many of the young athletes should excel in the future.

Track at Fermi is on the upswing. Donna Sandford, the finest performer in Fermi history, is leaving as a graduating tri-captain. We will miss her along with tri-captains Denise Boulanger and Fran Koperniak. These three girls have been on teams which have never lost to Enfield High. Donna has been the top high jumper in the CCIL for 2 years. Denise anchored 2 relay teams and Fran developed into a fine long jumper. Lynn St. Germain aided in the field events along with Kathy Giaccone and Jill Young. We will be back Stronger than ever next year with such fine athletes as Anne Marocchini, Kathy Golec, Lori DaPrato, Laurie Bugai, Leah Kelly, Marie Sroka, and Arlene Manning. Track takes many years to build a program, but we are on the right trail.

One more time, one last time before graduation, we saw the senior class together — laughing, singing and dancing. One more time, one last time before graduation, we stood to salute them for their spirit, talent and dedication.

The class of '79 performed professionally, but with a recognizable elation at being with their friends. Their enthusiasm was seen in every song and skit — every movement on stage.

Once again the awesome Olympians took our breath away, only to have it returned in uproarious laughter at the fine comedy. Talent and determination on the part of the seniors and their advisors made it an evening to remember.

One more time, we got on our feet and applauded them. They cheered — one last time, before their final cheer.

AWARDS

Awards separate us from all others in today's conformist society. Awards set us apart and place us above all others, for a moment, so that our peers can take notice and recognize the achievement we have accomplished. They set us apart for a moment, so that our peers can look at us and say, "This is an individual who has surpassed the ordinary." Congratulations.

1. "For academic excellence in the study of Science and the pursuit of independent study and research in science an award is presented to Mr. Al Babyok."
2. "For outstanding participation in Varsity Athletics, displaying qualities of leadership, teamwork, cooperation, loyalty and diligence an award is presented to Mr. Edward McMurray."
3. "For outstanding achievement in Art, awards are presented to Mr. Walter Prayzner and Miss Carol Moore."
4. "An award in physical education is presented to a student who excels in physical education for at least three quarters, and has demonstrated an enthusiasm for physical activity while not being involved in interscholastic sports. The award is presented to Miss Suzanne Telesky and Mr. Vin Hogan."

1. "The Tri-Town Nurses' Club presents a \$50.00 check to a girl who plans to continue her education at a school of nursing. The award is presented to Miss Kim Rauschenbach."

2. "An award for OUTSTANDING STUDENT is offered to a student who demonstrated dependability, responsibility and unselfish service to the school community. The award is presented to Miss Susan Sheehan."

3. "An award is given to a girl who has displayed extensive involvement and proficiency in interscholastic athletics, coupled with the qualities of leadership, sportsmanship, teamwork, cooperation, diligence and loyalty. The award is presented to Miss Jane Korb."

4. Senior class president Ann Mensinger gives her final speech — the presentation of the class gift to Mr. Gentile.

As our senior year approached, many of us looked upon graduation as something intangible — something we knew we would eventually reach, but yet it seemed too far off to imagine. But then June 12 was here, and with the arrival of that day, we began to think about ourselves, our friends, and our futures; so much, in fact, that we were overwhelmed by many mixed emotions. And these emotions were mirrored on the faces of our friends. Because we had . . .
